

### Instructions for Individual Countries (Excerption) of FY2020 Application Guidelines

#### <FRANCE: Inserm>

- Based on an agreement with Inserm, JSPS will cover the costs of the Japanese team, and Inserm will cover the costs of the French team.
- The counterpart French team leaders are to submit their applications to Inserm by 8 September 2019. Applications submitted by one side only will not be accepted. Japanese/French team leaders should therefore, be sure that their counterpart submits a matching application.
- In FY 2020, JSPS/Inserm will support a seminar to be held in Japan.
- JSPS/Inserm supports a seminar involving up to 20 participants (10 from the French teams and 10 from the Japanese teams). A priority will be given to seminars involving experts from at least two different laboratories from each side. On the French side, team leaders and participants must work at an Inserm laboratory.
